	Not Available

Hello this is a market friendly availability from North Guilford Nurseries. Our Garden Center list is much longer several pages but this is a consolidated list of Items I believe fit a market or grocery store. Items in **red** are not ready for outside display and need to be in cover at night, items in **black** are cold hardy great items for early spring. Ovals Bowls and plastics are generic but our wood series you will not find anywhere else. Our hanging baskets are full true sizes we do no cut corners. We use only the best select plants.
